GMCS Parents and Guardians,

The State of New Mexico and PED issued a news release September 28, 2020 stating that P-EBT benefits would be extended for certain students who are enrolled in a school that receives free and reduced breakfast/lunch.

Details about the benefits are available on the GMCS homepage under Parents Tab on the P-EBT News Release-9-28-20 pdf.

The Human Services Department has two hotlines for individuals to inquire about the status of their P-EBT benefits. The Human Services Department Customer Service Center is 1-800-283-4465 or they can call the P-EBT Hotline at 505-660-4822.

If you are referred back to your school please make sure your demographic information is updated and on file with your home school. Student update information packets can be found on the GMCS home page under

Parents » Annual Update Information, or by clicking the link below.
